Fertilizers Europe statement on EU General Court annulment of EU anti-dumping measures on Ammonium Nitrate originating in Russia

On 5th July 2023, the General Court set a judgement¹ which annuls the existing EU anti-dumping measures² on ammonium nitrate.

Fertilizers Europe intends to make an Appeal to higher European Court of Justice. Such an Appeal must be based on legal grounds.

¹ Judgment of the General Court, 5th July 2023: T-126/21.

² EU existing anti-dumping measures : Official Journal of the European Union, Commission Implementing Regulation (EU) 2020/2100 of 15th December 2020.
